

130SDi-Single

Slot Drain

Stormtech 130SDi Single Slot Drain: Seamless Drainage for Modern Landscapes

Discrete 10mm opening, for a virtually invisible integration with outdoor surfaces. Suits pavers up to 25mm in thickness.

Achieve a clean, uninterrupted surface while effectively managing water runoff.

Inspection points placed over each outlet, to suit a square floor waste or clear out for easy maintenance.

Please be aware that depending on the installation environment, for a pool installation or close to a surf beach, you may need to have your stainless steel grates electropolished.

Code 130SDi-Single **Range** Slot Drain

Category Custom Made

Steel Grade 316

O/A Depth mm

Grates longer than 1500mm supplied in sections. Tile Inserts longer than 1200mm supplied in sections. Channels over 3000mm supplied in sections with joiner. +/-2mm tolerance on dimensions.
